

HELENA FIRE DEPARTMENT CHRISTMAS EVE SANTA ROUTES

A Helena tradition for many years, the fire department sends out fire engines with Santa to visit these communities on Christmas Eve. Routes will start at 2:00pm. Due to Santa's busy schedule, he will not be able to go on every street. He will be on a major roadway in every part of the city. Listen for the siren that lets you know he is near. This is only a guide and is subject to change or cancellation should an emergency arise or inclement weather occur.

Gold Route:
