

- Call to Order
- Rebekah passed around the minutes from the last meeting and a sheet with the board members to add our address, email, and phone number. If she already had that information, she asked that we check it for accuracy.
- Introduction of new board members (Cathy, Stephanie, and two not present, Jamie Barnes and Thomas Hart).
- Rebekah reviewed the board members being removed (Ashley, John & Joy).
- Discussed spring clean-up and how everything looked good right now, but we will keep a check on it, and we could do a pop-up clean-up if needed.
- The basket planting has been scheduled for April 26th. All board members should meet at the caboose at 7:00 am.
- Rebekah discussed purchasing small pots and seeds for the children to plant.
- New member Cathy discussed how the Bessemer Beautification Board had bumper stickers made; she had one for everyone to see as an example. She also explained how they had a yard of the month and had an example of the sign they had made. The board discussed the timing for implementation and the rules. It was suggested that we start in the summer months to advertise and notify the community so they could get their yards ready.
- Rebekah opened the discussion for new business and suggested ideas or questions. We discussed this year's T-shirts with the Cahaba Lily on the back and maybe adding the Helena Beautification Board to the front pocket. Rebekah passed around a photo for everyone to see.
- The next board meeting will be on April 14, 2025, at Beef O Bradys.
- Move to adjourn.
